

Price list UN approved plywood boxes

CarePack Holland BV is specialist in UN approved packaging for transport of dangerous goods. We supply a wide range of UN approved packaging including UN certified plywood boxes.

We offer a range of 10 standard sizes of UN certified plywood boxes. These boxes are suitable for road, rail, air and sea transport for packing group I (X), II (Y) and III (Z) and have a 4DV marking. These boxes are special outer packaging that allow the transport of non-specified inner packaging up to a stated maximum weight. Please, contact us for more information about the correct use of the UN approved plywood boxes.
